Appendix 1

Kronach, 18.03.2008

Dear George,

In 2007 we had some interesting partnership activities in the link with Moray and Landkreis Kronach.

I have heard about the meetings which you had with our youth group in Cullen and with Evi Scheler, the Chairman of our Partnership Committee and I could welcome a family group with Sheena Thain in Kronach.

For this year it is planned that a family group and a party of young people will visit Moray in the beginning of August.

I like to renew my invitation and would be very glad if you could visit the Landkreis Kronach this year. A good time would be between 14th to 24th of August when we celebrate the "Schützenfest" – the biggest beerfestival in the region.

I look forward to become acquainted with you and to show you around our Landkreis.

Kindest regards

Oswald Marr
