

DO NOT SCALE DRAWINGS

must be brought to the attention of scale dimensions from drawings.

If any deviations from the approved Building Warrant drawings take place on site further Architectural services may be required. In the first instance the contractor should check with Building Standards if an Amendment of Building Warrant is required and thereafter, the matter referred back to the Architect for re-submission.

Green Zone (approx 4800m2)
Existing ground levels to be raised at the
highest point 2.2m above existing, and
bank formed as indicated.
Grass to be reinstated on completion.

Yellow Zone (approx 1800m2)
Existing ground level "saucer" depression
to be inverted by raising levels at the
lowest point by approximately 700mm.
- average of approx 300 - 400mm material
over the area.
Grass to be reinstated on completion.
