

CHILDREN AND YOUNG PEOPLE'S PARTNERSHIP

AIM

**On behalf of the Community Planning Partnership, the aim is:
to provide strategic leadership, vision and direction in the planning and delivery of
integrated service for children and young people in Moray**

REMIT

To promote coherence and effectiveness in addressing the interests of children, young people and families through the wider Community Planning Partnership by its various theme groups and any cross-cutting initiatives

To ensure full political ownership and accountability by the relevant bodies in each partner organisation of the Integrated Service Plan and the Youth Strategy for Children and Young People in Moray

To ensure that representation from young people is incorporated into the working of the relevant Community Planning Partnership structures in general and the ChYPP specifically, in a manner that young people have considered and agreed

To specifically take strategic level decisions and ensure commitment of all relevant services and agencies regarding the "integrated working" development plan

To ensure the effective development, implementation and evaluation of the Integrated Service Plan (Investing in Children and Young People)

MEMBERSHIP

Public representation

Elected members x 3 (or as agreed by elected members following the election)

Health Board x non Exec Director

NHS Grampian: Child Health Commissioner OR

NHS Grampian Child Health Manager (new post)

Manager MHSCP

HIE Moray

Moray College

Vol Sector x 1 (by rotation as currently done for Implementation Group)

SCRA (Reporter)

CHYPP VISION

We want our children and young people to be ambitious for themselves and be confident individuals, effective contributors, successful learners and responsible citizens. We want Moray to be a place where children and young people thrive: a place where they have a voice, have opportunities, learn and can get around. A place they have a home and feel secure, healthy and welcome.

We want Moray to be a place where adults and communities understand, respect and respond to the needs of children and young people.

CHYPP PRINCIPLES

Robust leadership and commitment

Preparedness to change, be rigorous and self critical

Build capacity through working together

Develop intelligence led actions

Keep focused on better integrated services for children and young people..... and outcomes

CHYPP MEETINGS

Be there (ie recognise the importance and prioritise highly)

Be accountable

Be positive and "can do"

Be solution focused

Share responsibility

CHILDREN AND YOUNG PEOPLE'S PARTNERSHIP: INVESTING IN CHILDREN AND YOUNG PEOPLE

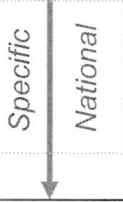

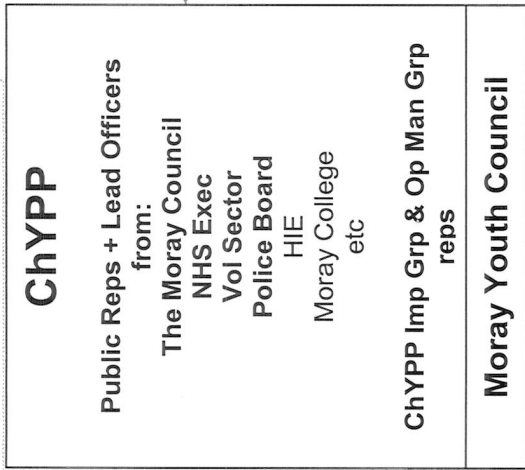

On behalf of the Community Planning Partnership, the Aim is: to provide strategic leadership, vision and direction in the planning and delivery of integrated service for children and young people in Moray	On behalf of the Community Planning Partnership, the Aim is: to lead the strategic and operational implementation of integrated service for children and young people in Moray	On behalf of the Community Planning Partnership, the Aim is: to support the strategic and operational implementation of integrated service for children and young people in Moray	KEY PEOPLE
CHILDREN AND YOUNG PEOPLE'S PARTNERSHIP	GUIDANCE	IMPLEMENTATION GROUP	GUIDANCE
To promote coherence and effectiveness in addressing the interests of children, young people and families through the wider Community Planning Partnership by its various theme groups and any cross-cutting initiatives	Be champions for children and young people by ensuring that members of CHYPP effectively promote the interests and welfare of children and young people through representation throughout Community Planning structures	Ensure that all development fits and co-ordinates with the broad strategy set out in the Integrated Service Plan	ensure coordinated development that a) does not run counter to other developments and b) engages with all relevant partners and promotes coherence across localities
To ensure full political ownership and accountability by the relevant bodies in each partner organisation of the Integrated Service Plan and the Youth Strategy for Children and Young People in Moray	joint consideration and response: - audit and inspection - evaluation reports (BV) - practice / resource implications of legislation provide formal advice and guidance to key Committees / Boards of each partners' decisionmaking structures	delegate actions originating from the Integrated Service Plan to defined Groups, commissioning task groups where necessary and using consistent templates and timescales for monitoring and reporting Discuss and respond proactively to significant issues or problems with implications for the delivery of integrated service as and when they arise in operational contexts	ensure that all partners and stakeholders are engaged either directly or indirectly with the work of the group LCNs plan and report to a common framework across Moray
To ensure that representation from young people is incorporated into the working of the relevant Community Planning Partnership structures in general and the CHYPP specifically, in a manner that young people have considered and agreed	Also ensure consultation with wider stakeholder groups (parents/carers/public) in relation to the work of the CHYPP	ensure that there are mechanisms in place and appropriately supported for consultation with children and young people and make use of community planning structures (eg Youth Forums; Moray Youth Council) ensure that there are mechanisms in place for consultation with/involvement of parents / carers / public and make use of community planning structures (eg Citizen's Panel)	The chair of each delegated group will be accountable to the Implementation Group for progressing and reporting on delegated business.
To specifically take strategic level decisions and ensure commitment of all relevant services and agencies regarding the "integrated working" development plan	joint decisionmaking, commitment and promotion: - long term aims - strategic issues drive policy, including ensuring that joint policy is approved through every agency's decisionmaking structures. joint commissioning of relevant reports	to ensure effective implementation of integrated services through the Integrated Service Plan and all actions flowing from it. to report and inform CHYPP on a) progress b) highlighted issues which impact on overall strategy	ensure links with consultation mechanisms for young people
To ensure the effective development, implementation and evaluation of the Integrated Services Plan (Investing in Children and Young People)	identify / agree the range of relevant funding strands for joint decisions eg ICS/CCSF, Surestart, ROA, other NPAF, HIF etc Receive reports regarding areas of concern raised through performance monitoring	to jointly agree recommendations on expenditure proposals for relevant "partnership" funding strands from all service sources	to ensure that priorities are addressed in line with the Integrated Service Plan within clearly identified areas of responsibility to report and inform Implementation Group, especially on development issues identify areas of under/over resourcing for standing groups to provide annual reports
