Use/develop early intervention measures to address increasing number of youth offenders aged 11-12	CPP	CPP	08/11		Moray youth justice and the Grampian police youth justice management unit meet each month to look at all the young people aged 8 years and over who have been charged by the police. The peak in offending by 11-12 year olds, which was identified in the initial	

					outcome agreement, has been monitored. Between April and June 2008 a total of 47 young people committed offences and of these 7 were aged 12 years, 1 was aged 11 years and there was one young person aged 9 years. Of these 9 young people, including the 9 year old, 7 received a service from both the Children & families and the Young Justice services. The monthly Young Offenders Review Group continues to review these young people and we liaise with health education and the voluntary agencies to seek interventions to offer to young people and their carers to divert them from offending.
