Exemption criteria for 'out of area' charges

The Council currently has a policy position with regards the qualifying criteria for an exemption to the 'out of area' charge. The non-Moray resident fee is applied to any person who is not a resident in Moray at the time of their death, unless:

- a. They were receiving any assessment for, or provision of, Community Care services from Moray Council – including if this resulted in the Council providing new accommodation outside Moray, e.g. community care placement in Aberdeenshire and/or the deceased continued to hold a residence in Moray at the time of their death.
- b. The deceased had left Moray for personal medical or care reasons prior to their death and whose death occurs within 2 years of leaving Moray and wish to be buried in the area.
- c. The interment is a second or third interment in an existing lair (exemption for the interments fees only).
