CONDITIONS OF SERVICE

- a) **The service offered is in accordance with the Waste (Scotland) Regulations 2012, with no recyclable material acceptable within the general waste.**
- b) **All waste must be contained within bins. An excess waste charge will will be levied for all side waste**
- c) **Number of Bins:** Bins will be issued in sets as described above. Additional bins over and above those within the sets can also be provided for larger events at additional cost, after consultation and agreement with the Waste Team.
- d) **Additional Servicing:** Cost of additional servicing is based on cost of vehicle plus cost of bin. Time taken to be agreed with the Waste Team. No servicing facilities available on Sundays.
- e) **Delivery/Uplift:** This fee will be confirmed on the booking of the event. These charges apply for each trip taken to deliver and uplift bins.
- f) **Charges:** Charges include cost of servicing after the event, and are based on the fixed price for each set of bins, multiplied by the number of sets requested. Any additional bins, over and above sets, are charged at the indicated price, per bin.
- g) Servicing of the bins during the event will incur the Additional Servicing Charge, per bin, plus Additional Servicing Vehicle costs.
- h) Bins not returned to agreed collection point will incur Additional Collection Charge. This is a one-off flat rate charge, regardless of number of bins.

If payment of the charges is not received whether formally demanded or not within 28 days after receiving an invoice for the charges due, the Council shall

have the right to recover all outstanding and unpaid monies due and owing to the Council arising from the agreement.

- i) **Waste Segregation:** Customers using the Moray Council's Bins for Events Service are required to segregate dry recyclable waste of cans; glass bottles; plastic bottles; paper and cardboard from their other waste.
- i) **Inspections:** Bins will be checked for compliance with Waste (Scotland) Regulations 2012 at the end of the event prior to removal. This will be done by the Waste Team and the named representative on the booking form. Incorrect usage of the recycling bins resulting in contamination of the load will result in the bin being charged as Waste and incur waste charges, per bin.
- J) **Legislative Compliance:** The Council and the customer shall comply with all legislation and officially recognised guidance and codes of practice relating to the provision of a trade waste collection service including the Control of Pollution Act 1974, Environmental Protection Act 1990, Waste (Scotland) Regulations 2012 and any other relevant legislation, regulations, codes of practice and guidance, current or future, which may be concerned with the provision of a trade waste collection service.
- k) **Excessive Contamination:** Excessive contamination may lead to refusal to provide the Service for future events.
