My choices at reviews and child protection planning meetings

The reviewing team is here to help you and your family feel confident and take part fully in your meetings with us.

This leaflet tells you how we can support you to feel as comfortable as possible during meetings.

You Can

- Lead your meeting or lead it along with the reviewing officer
- Tell us what's important to you in any way you want - like using pictures, videos and poems!
- Meet the reviewing officer before or after the meeting
- Tell us what would help you take part in the meeting
- Choose where your meeting is held (like at school or in a meeting room), on what day and at what time
- Ask questions at any time
- Ask a friend or family member to come with you
- Tell us who you'd like to be at your meeting - and who you don't!

Have a chat with your reviewing officer about your choices and ask any question you have!
